

Council District Six
City of San Diego
MEMORANDUM

DATE: January 11, 2008

TO: Jim Barwick, Director
Real Estate Assets Department

FROM: Councilmember Donna Frye *Donna Frye*

SUBJECT: **Oversized Vehicle Storage Availability During Pilot Program Implementation**

As you may know, the Council will be presented with an introduction of the Oversized Vehicle Ordinance Pilot Program no later than February of this year. As part of the ordinance, oversized vehicles will be prohibited from parking within the boundaries of the pilot area overnight, between 10:00 pm and 6:00 am.

In enforcing this program, it is appropriate to identify public properties in which these vehicles can park overnight, to lessen the impacts on neighboring communities outside of the pilot area, and allow those that are most affected by this ordinance an alternative area in which to park.

As this may be discussed in further detail at the Council hearing, please allow this memo to serve as advance notice of a request for information regarding public properties that would be available for this use. Your attention this matter is very much appreciated.
